My dear Phillip,

Many thanks for your card. I expect to be in Holland on the 10th. You & shall probably leave on the 13th or the 14th. I am leaving for London on the 23rd. I hope that everything is going on well & that you are realising some of your dreams.

The autumn leaves here are wonderful & the colours are beyond description; I have never seen anything more beautiful. Many thanks for the photos; they are really wonderful & so very well taken. I congratulate you. Helen wrote to me asking me to send her some but I can't. I hope you will as she seems anxious to have them.

I hope you won't be away at Geneva seeing your father when I am in Holland !!

With good wishes to Mrs. Naomi Johanson & to yourself

Yours

Krishna
