& told me that you had kindly asked me to come & stay with you at Earde on September 14th. I shall be very pleased indeed to do so. I am going to Switzerland on Sep: 4th & shall be staying at "Montesano", Arreyes, près de Villars-Besse. When I get there, I will try & find out what is the best route from there to Holland but perhaps you will kindly let me know what is the best way to reach Earde.
