My dear Phillip:

Thank you very much for your letter of June 18, and I am sorry that I have not been able to answer it sooner. It is very good of you to have written to Rajagopal and myself telling us of the interest there is in Holland and in the places in which you have travelled in Germany. From everything you say, there seems to be considerable interest, and I am glad it is so.

About our coming to Holland, I am afraid we cannot make any definite plans, but it may be possible some time next year, but of course nothing can definitely be settled just now.

There is a series of talks here until the end of August, and after that there will be some more talks in London beginning September 25.

I hope you are all well and we all send you our affection. Rajagopal thanks you for your letter.

With affection,

Yours,

*Rishwanthi*
