My dear Philip:

I have received your letter of May 2nd and thank you very much for it. I was very glad to get it and to know that you were all well and that it was still peaceful at Ommen.

We have not heard from many of our friends in Holland but in due course we will hear. I wonder how Mrs. Kolff is; many people, including myself, have wondered what has happened to her and the various friends. I am sure we shall hear from Mr. Folkersma presently.

I hope everyone is well. I am sorry you have had family losses.

We have had many small group discussions here, and now we are having at Ojai a talk every Sunday morning till the middle of this month.

Here in California war seems for the moment at least very far away but we get all the news from different parts of the world, of course censored.

Rajagopal and Rosalind and I send our love to you both. We all hope that you and your children are well.

With love,

Yours,

Kishua
