Dec. 3, 1936

Baron Philip von Pallandt,
Eerde,
Ommen (O.),
Holland

My dear Philip,

Thank you very much for your letter of November the 8th.

It is very good of you to have written to me. I am so glad that those discussions over three weeks have meant something to you and that you feel yourself in a process of change.

I am so sorry that the old cook, who used to be at Eerde, is dead.

I am glad that you had a pleasant time with Baron von Veltheim and that you had pleasant talks with him.

Scott Nearing sent me a letter concerning the troubles which were caused by Helen's activities in Ommen while she was there during the camp. I am replying to Scott Nearing.

I hope you both are well. Rajagopal sends his love to you and to your wife. With love from myself to you both,

Krishna
